

TIE THE KNOT

Renée Camus and Alex Bradley, 2024

Tune: Bells in Watertown, by Dave Wiesler, 2014

Duple minor longways

Key of A 6/8, AABB Not in Barnes

Tie the Knot

- A1 1-8 Tie the Knot: Partners facing, 1st corners advance a double as 2nd Corners fall back a double, then set. Partners dance a R-shoulder round (about 3/4), then with 1st corners leading, chase into progressed place on original side.
- A2 1-8 Repeat A1 from new places (new 1st corners moving forward as new 2nd corners fall back). End at home.
- B1 1-2 1s lead down the center while 2s dance up the outside.
3-4 1s twirl to swap (*you may decide who does which*) while 2s approach and make an arch with inside hands, facing down.
5-6 1s lead back up under the 2s' arch, and...
7-8 1s cast down to 2nd place while 2s twirl to swap. End progressed and crossed over, facing partner across.
- B2 1-4 Three changes of a circular hey (no hands), starting with partner.
5-8 All set on the diagonal (in place), then L-hand star halfway.

Renée Camus and Alex Bradley wrote this dance together in honor of our 20th wedding anniversary, May 22, 2024. Thanks to Dave Wiesler for his kind permission to use this tune.
